Donations accepted & greatly appreciated. Drink proceeds and tips will be donated to the Step program as well.

How it works: You bring as many friends as you can to the Hope & Olive Restaurant in Greenfield between 5-8pm on 4/6/2009. You eat free soup, play games, listen to great music, buy a drink or 3, buy some yummy desserts and throw a few bucks in the donation jars.

All the money raised will go to help young adults transitioning to independent living in the DIAL/SELF Step Program.

Since 1988, the *Step Program* has provided former foster care youth and homeless teens a safe place to live, social service support, life skills training, and a weekly living allowance, as they make the transition to independent living.

Thank you to:

Hope & Olive staff for donating their time & space
